

find the **information**  
you need at Goliath.

Dear Laura,

If you're a part of the business world, you know how important online visibility can be. A successful online presence can provide potential customers with crucial information and effectively drive people to your business.

Because we are dedicated to providing valuable content to our users, [Goliath](#) now allows you to **add or update your company** information on Goliath. You can even **promote your company** by listing the products and services that you offer. **And it's completely Free!**

## Add Your Company Today!

Goliath is one of the **top 10 business sites** on the Internet with more than seven million visitors each month - from C-level executives and small business owners to corporate buyers and general consumers. And now you can reach these valuable clients, partners, and customers by simply adding your company information to Goliath. It's free, and the benefits of providing your information are countless.

Whether it's a **potential client** looking for contact information, or a **potential partner** looking for revenue numbers, **large and small businesses** alike can benefit greatly from the extensive exposure available on Goliath. And there is absolutely no cost to add information about your company.

Or, if your company is already listed on Goliath, you can choose to update the information displayed to other users. Follow these simple steps to update your company's profile:

### Update Company Information

1. **Find a company** listed on Goliath
2. **Locate the company** in the search results
3. **Scroll down** until you see "Update Your Company Information" and click on the link
4. **Supply your updated information** and click submit!

To ensure delivery, please add [goliath@ecnext.com](mailto:goliath@ecnext.com) to your address book.
